LEAD CARPENTER

Feeling like you're doing great work but not getting the respect, support, or leadership you deserve? If the job you're in now leaves you frustrated, stretched thin, or stuck with no real growth, it might be time for a change. We're looking for a Lead Carpenter who wants steady work, a strong team, and a company that actually values craftsmanship and accountability. This position is focused primarily on residential work within Erie County, PA.

Job Responsibilities:

The Lead Carpenter is responsible for the successful completion of the job, which includes being on time, on budget and maintaining a high level of quality. In addition to being an excellent framing and finishing carpenter, he or she should exhibit good judgment, high ethical standards, good oral & written communication skills and strong leadership abilities. This position is on the "front line" in achieving our company goals of superior product quality and customer satisfaction.

- Actively participate in both pre-construction conference and pre-completion walk through with client and Project Manager.
- Maintain a clean, safe job site at all times.
- Perform all carpentry labor and assign tasks to carpenters and helpers. Ensure work being performed is done in the most efficient and cost-effective manner.
- Working within a schedule to complete the job on-time and on-budget.
- Coordinating subcontractors.
- Track & enter all jobsite activities in Project Management software.

Skills & Experience

- Years of leading crews of 2-3 people.
- Extensive knowledge of carpentry techniques and construction methods.
- Meticulous skillset of drywall, wet-wall systems, finish carpentry, and tiling.
- Proficient in reading blueprints, schematics, and construction documents.
- Strong leadership and communication skills.
- Ability to manage multiple tasks simultaneously.
- Excellent problem-solving abilities.
- Attention to detail and precision in workmanship.
- Physical stamina to perform manual labor tasks.

Benefits:

We offer competitive pay rates based on experience ranging from \$25-\$35 per hour – with overtime available.

Paid time off includes vacation days and holidays.

After your first year, we cover 100% cost of health insurance (medical, dental, vision) –an added value of about \$600 a month.
